

A smooth sea never made a skilled sailor.	You are enough.	The best way to predict the future is to create it.
You are beautiful!	I hope your day is as nice as your butt.	Don't let yesterday take up too much of today.
A smile is the shortest distance between two people	You can do hard things.	You are doing better than you think you are.
A candle loses nothing by lighting another candle.	Beautiful thoughts create a beautiful life.	You are amazing, remember that.
The best is yet to come.	Sometimes the heart sees what the eyes can't.	Start each day like it's your birthday.
Someday it's all going to make sense.	Be the best version of you!	Life never gets easier, you just get stronger.
Everyday may not be good but there's something good in every day.	Dream HUGE!	You are so loved.
It's a good day to be happy!	Make today ridiculously amazing.	Don't let the fear of striking out, keep you from playing the game.
Use your smile to change the world but don't let the world change your smile.	You deserve to be happy.	Stars can't shine without darkness.
If you can dream it you can do it.	Don't give up now.	Make today count.
Comparison is the thief of joy.	Trust yourself, you know more than you think you do.	When you feel like quitting: think about why you started.
Life begins at the end of your comfort zone.	Be kind to one another.	Life is like an echo what you send out comes back.
